## Premier League Data Analyst

Chyronhego - Southall UB2

£10 an hour - Part-time

ChyronHego is expanding and we are able to offer part-time and flexible positions working on our English Premier League Analysis service.

We provide graphics solutions and services for enhancing TV and sport, including market leading realtime player tracking under the name of Tracab. Our technology has been used in some of the world's most exciting sporting events including the World Cup, European Cup, Champions League, Premier League, Spanish League, Wimbledon, Formula 1, and NFL. You would be working in a close knit team specialising in gathering statistics and live video for the Premier League, primarily for live media applications. We have positions available and are looking for candidates to start ASAP.

The ideal candidate will have a passion for football, an in-depth knowledge of the Premier League and a good tactical understanding of football. Also basic knowledge on computers will help. You must be willing to work weekends and late evenings. If you can work weekdays this is also preferable.

**The job would be to amend any player tracking faults we find from the matches played the previous match-week from our office on a laptop. You will be using our own software which you will be taught on.**

The ideal candidates will be trained during the new 16/17 Premier League season.

**Night shift work will be required on a regular basis, if this is a type of shift you would be unavailable for then we will not be able to accept your application.** Work is mostly weekend days/nights. There is also weekday/night work available. It is all dependent on football fixtures.

Your first 4 shifts will be paid at £7.50 ph and then once you are up to standard on our software your wage will increase to £10 ph. Night Shifts are paid at £15 ph.

Basic hours of work on weekends are:

Saturday - 4pm - 12am  
Saturday - 11pm - 6am  
Sunday - 9am - 4pm

Please include your CV and a brief outline as to why you think you would be suitable for the role.

We are located at the postcode UB2 4NJ (Southall) - Please do not apply if you don't believe you could make your way here.
